WRIT PETITION NO :14476 of 2005

ORDER: (per the Hon'ble Sri Bilal Nazki, ACJ)

-

This writ petition is filed in public interest challenging the action of the respondents in shifting Government Veterinary Hospital from Rompicherla Village and in not reopening a Veterinary Hospital in the said village.

In the counter affidavit, it has been stated that the hospital has been sanctioned for Rompicherla Village, but, somehow, it was functioning from Dasaripalem village. Now, the said hospital has been shifted to its original place for which it was sanctioned. It was found that the hospital could cater population of 2500 at Rompicherla Village; whereas Dasaripalem village only had a cattle population of 1200. It is further submitted that the hospital is in the middle of the village, therefore, access to villagers from other villages is also easier.

In any case, this is a matter for the respondents to decide as to what could be the suitable location for a veterinary hospital.

The writ petition is, therefore, dismissed.
